Questions to ask each Doctor…

- Will you treat me under **Access Gap Cover?**
- Will I have any out-of-pocket expenses, and if so, can you provide a written estimate of how much?
- Will any assisting doctors also use **Access Gap Cover** and if so, how can I obtain a quote for their services?
- Are you prepared to send the bill to Westfund directly?

See Westfund's website: www.westfund.com.au – for registered participating doctors. Lists are subject to change and are updated regularly.

Information to give to your Doctor

As a doctor who cares for members of Westfund, we invite you to participate in **Access GAP Cover.**

Participating has many advantages:

- One system for 26 participating funds.
- NO contracts to sign
- Opt in and out, patient by patient
- Simpler billing for you and your patients
- Improved cash flow (rapid payment and EFT)
- Reduce your patients gaps
- Fee schedule indexed annually reflecting the AMA formula

There is no contract to sign and you can opt in and out of the scheme on a patient by patient basis. Westfund recognises your right to exercise independent clinical judgement, so you retain complete control of patient care.

Westfund's schedule of fees is also indexed annually reflecting the AMA formula. You can choose to charge above our fee schedule (up to predefined limits) and still participate in **Access GAP Cover** as long as you provide written informed Financial Consent so your patients know their out-of-pocket expenses in advance.
