

Westfund Community Grants Program – Terms and Conditions

1. The Westfund Community Grants Program is open for applications for two rounds (application periods) per year. Application periods will be defined by Westfund and advertised online at www.westfund.com.au. These dates are subject to change at Westfund's discretion.
2. The total maximum amount payable for a Westfund Community Grant is \$2500.
3. Only one grant can be approved per project, program or event. For ongoing projects and programs, refer to point 14.
4. An applicant may only apply for one grant per application period. An applicant or organisation may only receive one grant per calendar year, however they are eligible to apply in future calendar years.
5. Submission of an application does not guarantee funding. The costs of preparing an application are borne by the applicant.
6. Only completed, accurate applications will be assessed. Applications could be considered ineligible if not all necessary information is provided.
7. Applications will only be assessed when completed through the online Community Grant Application form.
8. Apart from applicant contact details, no information provided in submitted applications can be changed after the closing date.
9. Printing errors and other quality control matters will not invalidate an otherwise valid application. All valid applications for grants and entitlements will be considered.
10. No responsibility is accepted for late applications after the application period has closed.
11. If, for whatever reason, an organisation is unable to proceed with the project, program or event the funds provided by the Westfund Community Grants Program will be withdrawn or required to be refunded. Westfund may apply discretion to this condition should the reason for non-completion be deemed to be outside of the organisations control (e.g. extreme weather event, pandemic).
12. Any variation to the project, program or event as detailed in the online application must be agreed to in writing by the Westfund Community Grants Program committee.
13. The project, program or event should be completed within six months of accepting the grant. Westfund may require evidence from the organisation of this completion. If it is not completed by this date, the Westfund Community Grants Program may withdraw the grant and require the return of the funding, or any unspent balances at its discretion. For ongoing projects and programs, refer to point 14.
14. Projects, program or events must not have commenced prior to the opening date of the round in which the grant is applied for. Exceptions in this case may be granted by the Community Grants Committee in the case of an **ongoing** program or project which is judged to have demonstrated value to the community and is otherwise eligible.
15. Should your application be successful, Westfund may wish to promote your project, program or event and provide details to the media. Photos and videos may also be requested and used for promotional purposes. Westfund will submit any use of your trademark or other intellectual property for prior approval.
16. Any promotional materials that includes the Westfund name or trademark must be submitted for prior approval and you must not use, modify, adapt or translate without our written consent.

17. The application should be completed by an approved delegate to sign on behalf of the organisation.
18. Westfund's decision is final and no correspondence will be entered into.

23. Westfund may, at their discretion, request proof of financial accountability in regards to the acquittal of the grant.
24. These Terms and Conditions are subject to change at Westfund's discretion.
